To Whom it May Concern:

Due to the current status of the COVID-19 pandemic and the restrictions it has created in our area, the Board of Commissioners and Director of the Payette County Recreation District have decided to cancel the Boys and Girls Youth Basketball leagues slated for play in November 2020 thru February 2021.

We apologize for any inconvenience this may create. Based on recent information in regard to the increased risk of the spread of COVID-19 at indoor venues, the District felt this decision to be necessary to help to continue to curb the spread of the virus.

Our District will shift our focus on preparing to offer OUTDOOR youth and adult recreational programs beginning in the spring of 2021. We will re-evaluate our indoor programs as our area progresses towards a point in time where the pandemic has receded to an acceptable level.

The District will continue to prepare to offer youth soccer/flag football in April and youth baseball/softball in May/June of 2021. An adult softball league will be offered sometime in the spring/summer as well.

We appreciate your patience and understanding at this unprecedented and trying time in our country.

Respectfully submitted,

Ted H. Pettet, Director

Payette County Recreation District
