Dear area business owners,

As warmer weather approaches, the local children are excited to get out and play baseball/softball. It's an exciting time that we, here at PCR, look forward to every year. In the past few years our programs have increased in size and popularity. The spring soccer was a great season.

To help keep costs affordable for the participants and their parents, the PCR registration fee does not cover the cost of team shirts and hats. We rely greatly upon the generosity of local businesses to defray the expense of uniforms and would like to ask for your participation in this worthy cause.

What benefits do you receive? With your logo printed on the team shirts, you have chosen to participate in a very inexpensive form of advertisement for your company. What other form of advertisement is "handed down" within friends and families or worn for so long? We have seen shirts from years ago still in the community. Your generous donation to this program not only benefits the youth of our communities but also promotes your business/organization for years to come.

If you are willing to sponsor, please fill out the attached form and return it along with your sponsorship to the PCR office at 1200 N. Pennsylvania Ave., Fruitland, ID 83619. Thank you very much for your time, consideration, and support. If you have any questions or concerns please feel free to contact our office at (208) 452-3542.

COMMUNITY MINDED...just like you!

Sincerely,

Staff of Payette County Recreation District
